Per NRS 116.31068, section 1 (d) notice may be given by any other method reasonably calculated to provide notice to the unit owners. The Board of Directors for **Galena Country Estates** has opted to use an annual meeting calendar as the chosen method of noticing the Board of Directors Meetings. Per NRS 116.31083 section 3 not less than 15 days or more than 60 days in advance of any meeting of the units' owners, notice must be given per NRS 116.31068. The method chosen to notice Board of Directors Meetings will cut down on cost to the association by eliminating the cost of copies and postage. This will serve as your official notice of all Board of Directors meetings for fiscal year 2021.

As required per NRS 116.31083, section 5, the agenda for each meeting must be provided to all owners. Copies of the agenda for each meeting will be available at least 10 calendar days prior to the meeting date and will be obtainable via the community website, management, or at the meeting. Section 3 of NRS 116.31083 states that only persons required to attend a hearing will receive notification of the Executive Session. However, if an electronic email has been authorized for receiving correspondence, the executive agenda will be sent to that email address, otherwise the Executive Session agenda will be posted in the clubhouse or available online.

*The Board of Directors may meet in Executive Session before or after the regularly scheduled open Board meeting.*

*"The official Galena Country Estates Association website is  
[www.Galenacountryestates.com](http://www.Galenacountryestates.com), where all public documents are available."*
